

## **WASTEWATER PLANT OPERATOR**

The City of Maryville, TN is accepting applications for a Wastewater Plant Operator. Duties include performing intermediate technical work monitoring plant operations, adjusting plant operations, troubleshooting and maintaining plant equipment, recording and maintaining plant operation records, performing laboratory tests, and related work as apparent or assigned. Work is performed under the limited supervision of the Chief Wastewater Plant Operator. Salary dependent upon qualifications and certifications.

Possession of a valid certificate as a Wastewater Treatment Plant Operator (at least Grade III level) required. Must have a H.S. diploma or equivalent and some experience in the operation and maintenance of machinery and equipment in a wastewater treatment plant. Possession of a valid appropriate driver's license issued by the State of Tennessee also required.

The City of Maryville provides an excellent benefits package. Nepotism policy prohibits hiring relatives of City employees. Applications are available on our website or in the Human Resources Department, Maryville Municipal Building, 404 W. Broadway. Deadline to apply is 5PM, Friday, March 28, 2014. A complete job description can be found on our website.
